Tesco pork chop selection. Price range £3.23 - £14.26 per kg.

Incredible price range. On their branded goods i.e. Finest organic they have good descriptions pork from Norfolk freedom food and RSPCA outdoor etc. But then it reverts back to hardly any description at all no country of origin I must say their pork chop 650gr at £3.23 per kg is a great buy I tested these and they were good. Sorry Tesco once again total overkill 6 different prices and three basic ranges

Tesco pork shoulder, leg and loin joints. Price range £2.99 - £8.99 per kg.

Incredible price range a total of 8 different prices I agree its great to have choice but not confusion Tesco please sort out the overkill. On their branded goods i.e. Finest organic they have good descriptions pork from Norfolk freedom food and RSPCA outdoor etc. But then it reverts back to hardly any description at all no country of origin and what cut is a crackling joint? I must say their pork leg large at £2.99 per kg was an incredible buy.
